ED3706 SERIES

Multi Mount LED

The ED3706 series is an ultra thin, low profile LED. Available in solid and split colour, this compact LED is ideal for a wide variety of applications, offering the flexibility of four mounting options: surface mount, tilt bracket, self-adhesive mount, and edge mount (all necessary hardware is included with each light). Featuring 13 flash patterns and synchronisation capability, this super bright LED is designed for maximum light output at all angles.

Models

PART NO.	COLOURS	VDC	AMPS
ED3706A	Amber	12-24	0.9
ED3706B	Blue	12-24	0.9
ED3706C	Clear	12-24	0.9
