

OZZ XB1 20"

Transform your driving experience with OZZ XB1 20" LED light bar. This innovative light bar features wandering start-up diodes, creating a visual effect during ignition. The slim design enhances your vehicle with a modern aesthetic, and the white color perfectly complements light-colored vehicles or creates a striking contrast with darker ones. This 533 mm light bar delivers 7000 actual lumen, providing 1 lux at a distance of 610 meters in boost mode. The driving beam pattern ensures optimal visibility with a wide and long-range reach. The light has a color temperature of 5000 K, offering pleasant illumination in all conditions.
