Specifications

Article number	SL5-1206A
Voltage range	12-24 Volt
Dimensions	1206.5 x 203.2 x 25.5mm
Height incl. bracket	65.5mm
Controller dimensions	120.5 x 73.5 x 18mm
Controller connection	Wireless, rechargeable with USB-C
Light colour	Amber
LED modules	20 modules
Number of flash patterns	18
IP value	IP67
Certificates	CE, ECE R10, ECE R65 TA2, CISPR25 CL3
Controller	Including
Traffic advisors	Including
Search light / work light	Excluding
Rear light modules	Excluding
Cruise mode	Including
Dimming function	Including
Work temperarture	-40°C to 65°C
Lens material	Polycarbonate (dark-look)
Housing material	Aluminium
Cable length	250cm
Warranties	2 years
