

LIGHTBARS

11 SERIES REFLEXL™ Narrow LED Lightbar

The ECCO 11 Series ReflexL™ is ECCO's most compact and low-profile warning lightbar yet. This sleek lightbar offers rugged durability with its polycarbonate lens and aluminium frame. Designed to be mounted permanently with included mounting feet or temporarily with magnetic mounting options, the ReflexL™ provides discreet and powerful warning for any vehicle application. Available with amber lights in a clear lenses and supporting up to 35 flash patterns, this LED lightbar equips your vehicle with the versatility needed to get the job done — the perfect fit for any recovery, work or utility vehicle where compact warning is essential.
