TRALERT® PRODUCT LEAFLET
SF-1000 SERIES LED WARNING LIGHTS

Looking for high-quality LED warning lights for use in professional situations? Then this new SF-1000 Series is the right choice for you.

This series of LED warning lights is fully certified, allowing you to alert bystanders to an unusual situation safely and with full approval. The two models are available in four colours: amber, white, red, and blue.
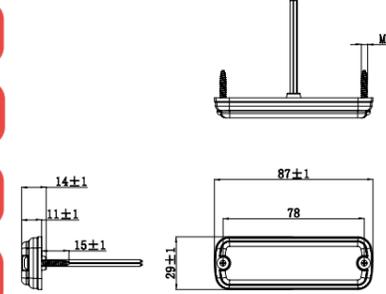

Are you interested in learning more about the SF-1000 series, or would you like to order the LED warning lights directly online? Please visit the TRALERT® website at: www.tralert.com/en
