

Specifications

Article number	SF-3400A
Light colour	Amber
Voltage	10-33v
Wattage	6 watts
IP value	IP69K
Number of flash patterns	14
Dimensions	94 x 25 x 11mm
Centre distance	84
Cable length	20cm cable
Housing material	Silicone
Mounting	Screw or adhesive mounting (3MTM)
Bending radius	30° from the centre
Connectors	Without connector
Features	Synchronising & alternating
Mounting edge	2x (hard (ABS) & bendable (silicone))
Mounting	Horizontal
Temperature range	-30°C to +70°C
Certificates	ECE-R10, ECE-R65 class 2
Warranties	5 years
