Depth	32mm
Height incl. foot	31mm
Housing colour	Black
Housing	Aluminium
Warranty	3 years

OZZ Hood Shield Bracket

Upgrade your vehicle with this versatile A-pillar bracket, designed to fit most vehicle hoods and provide a secure mounting point for auxiliary lights in the ditch light position. Supplied in pairs, it is ideal for smaller lamps such as the 3" SQR or compact OZZ LED bars. The bracket clamps securely to both the upper and lower edges of the hood and features rubber gaskets to protect the paintwork. Installation is quick and easy using an M8 bolt from above, and it is fully compatible with OZZ mounting systems.

Art. no.	88967
Material	Aluminium
Lenght (mm)	60
Depth (mm)	32
Height (mm)	31
Height including bracket (mm)	31
EAN	7350166880798
Warranty	3 years

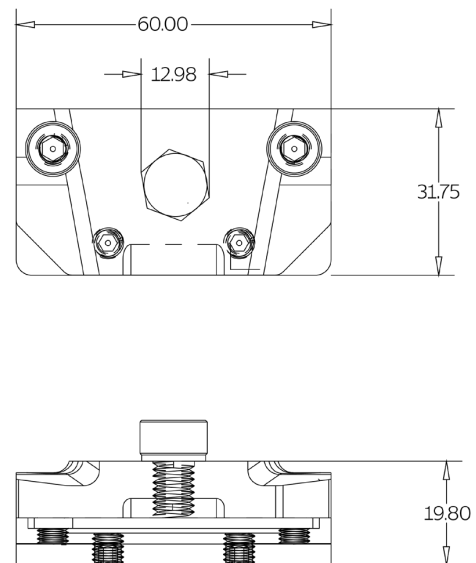

OZZ Hood Shield Bracket

88967 (black)

Mounting

1. Mount the auxiliary light to the bracket using appropriate hardware.
2. Tighten the bracket using the M8 bolt until securely clamped.
3. Open the hood and position the bracket on the edge of the hood in the desired location.
4. Ensure the rubber gaskets are correctly placed between the bracket and the hood to protect the paintwork.
5. Adjust the bracket so it clamps evenly over both the upper and lower edges of the hood.
6. Check that all bolts are tightened securely and that the bracket is firmly attached before driving.
